Portugal coach Fernando Santos has described the coming days as the most important challenge of his time in charge. Juventus were very strongly interested in him and his form has really gone off the boil since. Has Boateng's Lyon move worked out? No, it hasn't. In a blistering first half, Celtic peppered the away goal with nine shots, four of which were superbly stopped by Allan McGregor. Rangers managed two by way of response. Agents are there to deal with all the off-field stuff and he just needs to get back to doing what he is good at - playing football. Asked if he thought McGrath would still be at the club when the transfer window closes next week, Goodwin replied: It's very hard to say to be honest with you. And speaking of goalkeepers, it's unlikely you'll see a better celebration than this from Burkina Faso's Herve Koffi outside of the tournament. The 26-year-old's first team opportunities are likely to be limited at Villa Park after manager Steven Gerrard signed Everton's France left-back Lucas Digne in a £25m deal. I don't see how that can work because if you're a national team manager - and I've worked under a national team manager - I know that they have got to be present watching their players play week in, week out. Roy Keane despaired at Manchester United's heavy defeat at Liverpool, while Gary Neville believes his former club are now at the lowest point he's ever seen them. The nice thing about the Premier League is that there are five or six different ways to play and, when you do it well, it works. I've always been like that; I'm not going to change now with my age. I will always give 100 per cent for this club and my reactions are part of what I am. His 11 clearances ranked highest among his team, he had the joint-second most interceptions and made that crucial, potentially goal-saving, challenge on Silva. It was a no-brainer that he was going to make it, Brown says. He quickly became almost first on the teamsheet. There was a growing impression in my mind that Wim would not be too troubled about the team's failure as long as no blame for such failure was attributed to him, wrote Brown, cuttingly, in the aftermath. I wanted to continue to build a team, but they didn't want to spend any money, said Jansen, a few years back. I didn't want to fight them any more. Inter Milan extended their lead at the top of the Serie A table to four points after victory against Salernitana. I had a lot of great offers from very good teams but I just felt, with where I was mentally in pre-season and how I was training, that I could be of use here. He has certainly been vindicated recently and his progress was also rewarded with a first call-up to England's U21s earlier this month. For sure, it was great, it was fine, to see him on a pitch, to see that he is kicking a ball. We are talking about a really important player, but especially a top man. Following Sunday's clash against Hibs, Rangers face Sparta Prague in the Europa League at Ibrox before key away matches in the league at Livingston and Hibernian. They are looking to reach their ninth straight tournament but Carsley admitted it was dangerous to expect the England youngsters to always breeze through. He is now a permanent first-team fixture, while 19-year-olds Jaden Philogene-Bidace and Cameron Archer have been given minutes. They continue to move smartly in the transfer market. Diogo Jota was a gem of a signing, and both Kostas Tsimikas and Ibrahima Konate have added depth in key areas. We can't disclose exact names and clubs but there are some really striking numbers when you look at the fee compared to the salary, said James Kitching, Fifa's director of football regulatory.

Others have been eliminated but still left an impression; imagine Equatorial Guinea making it to the quarters. Kenya have to take action, not just talk. The talking has always been cheap but we need action and we will be feared in Africa. He has already been linked with bringing in players during the January transfer window but said that was not his main focus at the moment. Chelsea have scored more than one goal in only two of their last seven Premier League fixtures and despite some Jordan Pickford heroics for Everton, Chelsea's expected goals tally of 1.27 against one of the Premier League's worst defences sums up their current malaise. As the employers of players and developers of the game at domestic level, leagues request full and transparent discussions so that the football calendar, which requires a complementary balance between club matches and national teams, can be agreed upon by all parties involved to benefit the game at all levels over the long term. Italian police visited the Italian club's offices in Turin and Milan on Friday where they took documents about transfers, invoices and financial statements. VAR checked for offside, but there was no case to answer. Luke Ayling also nodded a free header just wide as the half came to a close. He's pretty much every inch the modern centre-back and aside from the fact he's not quite as dominant in the air as he could be, there aren't too many shortcomings to his game, and I can't

Dani Alves is better than me and will give Barcelona a lot with his experience, Cafu told EFE. Despite his age, he is in perfect physical condition. He will be a great signing for Barcelona. But the coach is not concerned about the forward's form, as he insists all players in his position go through dry spells.
